Opportunities to join us in school and share in your child's learning. **Family Friday and Non-Uniform Day— 2nd February**

Together with Rednal Hill Junior School we are marking the NSPCC Number Day next Friday 2nd February. During next week the children will enjoy problem solving and strategy based activities to immerse themselves in the joy of mathematics. On the Friday, the children are encouraged to dress up as a number in celebration of Number Day. This could be a sports shirt with a number on the back or another item of clothing that includes a number. We are asking for the children to bring in a donation of 50p on Friday 2nd February. These proceeds will go to supporting the work of NSPCC.
