Number Week— children have really enjoyed discovering new games this week as well as getting out old favourites. Playing board or card games is a great way to teach your child about number and to spend some quality time together, having fun. Try teaching your child a simple game of cards, or dig out those family favourites such as Uno, Snakes and Ladders and Monopoly. Games teach children to think logically and to apply their number skills... as well as developing crucial skills such as turn taking, following rules and celebrating other people's wins!

Each child has made their own simple number game— try playing it at home and continue to add in challenges and additional rules. Enjoy!

This week's 'Congratulations' go to..

Ash Class – Riley, you are a fantastic friend. You always think about your friends feelings and are so kind and caring.

Elm Class – Ella, for your superb attitude towards your learning and for always trying your best with all that you do. We are so proud.

Oak Class – Halia, you are trying hard during phonics and with your handwriting. Thank you.

Holly Class – Leo, for your fantastic work in phonics this week. You always join in and make sure that you are using the new sounds to sound-talk words. Keep up the good work Leo.

Hazel Class – Brooklyn-John, you have worked really hard in our phonic lessons this week. You are becoming more confident when reading new or tricky words. We are very proud of you.

Willow Class – Rogue, you designed a detailed rocket and knew all of the materials you wanted to use to make your model. We cant wait to see the end result.

Chestnut Class – Falak, for making a fabulous start to our school. You have been involved in all of your learning and made lots of new friends.

Hawthorn Class – Evelyn, we are very proud of you. You are really persevering in phonics, concentrating and trying your hardest. This has made you more resilient in your writing, checking each spelling more independently.

Sycamore Class – Nathan, for your enthusiasm and enjoyment during our Space Enquiry. You are loving learning and are a pleasure to teach.

HAPPY BIRTHDAY!
2nd February 2024 to 8th February 2024

Taylor and George in Ash will be 5 Bella in Elm will be 5 Adeyosola in Oak will be 5
Kye in Chestnut will be 7 Leo in Hawthorn will be 7
