## Class Assemblies

Chestnut Class started off our class assemblies this week and the quality of work and amount of knowledge the children shared about their World War topic was impressive, as was the pride they showed in their learning. We are looking forward to Ash and Hazel class assembly next Tuesday, 27th February.

If you would like support developing good sleep routines and bedtime habits for your child, come and listen to speakers from **School Mental Health Team** on Monday 26th February at 9.00am.

## IT'S WORLD BOOK DAY!

We are celebrating World Book Day on March 7th jointly with the Junior school. Children are invited to come to school dressed in their pjs or a costume you may already have at home— no need to buy anything new. *A letter will follow with more details about the day.*

We would be grateful for any donations of spare clothes— pants, socks, tights, leggings for our younger children. Thank you.

## This week's 'Congratulations' go to..

**Ash Class—Noah**, you have been particularly focused at the making table this week. You have been exploring the different materials and finding different ways to attach them together securely.

**Elm Class—Noah**, you are always such a kind and caring friend to everyone in Elm class. We can always rely on you to make the right choices, help others if they need it and to be the best that you can be. Thank you and well done.

**Oak Class—Riley H**, you created a fantastic model of a van using junk modelling. You carefully selected the size boxes you needed and added masking tape ready to paint. We are super impressed with your determination Riley. Well done.

**Holly Class—Greyson**, for your excellent work in Science this week. You were amazing at deciding which animals were herbivores. You could find differences between what herbivores and carnivores eat. Well done.

**Hazel Class—Noah H**, you have amazed us with your writing this week. You were able to use a range of sentence openers and adjectives to describe The Troll. Well done.

**Willow Class—Alexa-May**, for working so sensibly during maths this week. You amazed us with your fact family knowledge for numbers to 20 using part part whole. Keep it up.

**Chestnut Class—Emma**, for your participation in lessons. You are always willing to put your hand up to answer questions on the carpet and always complete your learning to the best of your ability. Well done.

**Hawthorn Class—Jax**, you have come back into school after half term eager to learn and writing attentively. We are so proud of you wearing your glasses everyday and knowing how much they help you.

**Sycamore Class—Isaac**, you are a great role model for our class. At school you make good choices and work hard—you also take your learning home to share with your parents.
