Parent Consultations

We look forward to welcoming you into school for your parent consultation appointment next week. Please enter via the school office.

Year One children held our annual Carfest in the school playground to support their learning. A fantastic community effort resulted in a fire engine as well as several Austin Rover cars (manufactured down the road at Longbridge, at what is now the MG Factory). The extremely loud racing car was very popular, as was a silent, electric car. The other year groups were very excited to join the Carfest and learn about the different types of vehicles—Year one will be designing and making their own moving vehicle over the next few weeks and parents are invited to share in this project on Wed 20th after school.

Class Assemblies are now well underway and this week it was Willow and Sycamore Classes' turn to share their learning with parents. The children did us proud and it was a pleasure to listen to their enthusiasm and see the progress they are making. We are looking forward to **Holly and Hawthorn Class assemblies next Tuesday, 12th March**.

This week's 'Congratulations' go to...

Ash Class – Mia-Lily, you have become such a determined writer. It is a pleasure to see your determination and focus when writing independently in the classroom. Keep up the hard work.

Elm Class – Shakilaz, you have wowed us with your enthusiasm to learn. You have worked really hard in phonics this week and we are so proud.

Oak Class – Elijah, you did an amazing job of writing the One Snowy Night story in your own words and without any help.

Holly Class – Isabella, for your lovely writing this week. You have written a brilliant recount of our Car Fest. You described the vehicles using some wonderful adjectives. Well done.

Hazel Class – Kai, you have amazed us with your phonics work this week. You are working really hard to recognise the sounds in words and within your reading book. Well done.

Willow Class – Danny is always thinking about our school values and is a perfect role model for Willow class. He goes above and beyond with being helpful.

Chestnut Class – Jaya, for your super character description about Bob, the man who lives on the moon. You thought carefully about your adjectives and presentation. Well done.

Hawthorn Class – Isobel, you are a reliable, honest, caring member of our class. You are the first to offer your help to teachers and your friends. Furthermore, you listen carefully and persevere to continually improve your presentation. Well done.

Sycamore Class – Charlie, you are trying hard with your learning behaviour and focusing in school. We have really noticed this in phonics lessons. Well done.

HAPPY BIRTHDAY!
