Our annual batch of **Living Eggs** arrived in school this week and the chicks have already successfully hatched. Early Years children have been transfixed watching the eggs tremble and then crack until the tiny, wet chicks hatch. Maybe ask your child to tell you about the hatching process.

Request for socks we would be grateful for any donations of children's socks in school. Please pass to the school office or your class teacher. Thank you

Next week.... Science Week

The theme of British Science Week this year is 'Time' which is key to many discoveries in science such as evolution, seasons and life cycles. The children will be taking part in fun, practical investigations and exploring a wide range of scientific concepts.

This week's 'Congratulations' go to...

Ash Class – Arlo, you always put so much thought into everything that you make at the making table. You take care to pick the different materials you will use and always make sure that they are attached together securely. Well done.

Elm Class— Thomas, for your fantastic phonics this week and using them confidently when writing your letter for home. We are so proud.

Oak Class— Persephone, for your lovely smile when you arrive in the morning and your incredible singing skills.

Holly Class — Susan, for being a super scientist this week. You were excellent at finding and identifying different wildflowers in our field. Well done Susan.

Hazel Class – Mckenzie, this week you were able to compare and talk about some of the key landmarks in Birmingham and in London. You shared your wonderful ideas with a friend too. Well done.

Willow Class — Olivia, we are so impressed with your positive attitude to learning during phonics. You are always ready and eager to learn and as a result your phonic knowledge and ready skills have developed. Well done.

Chestnut Class — Isla-Louise, for your excellent contributions during our author visit. You were keen to use your imagination and created your own fantasy world setting.

Hawthorn Class – Mollie, we are really proud of you Mollie. You are persevering to pronounce your sounds correctly at school and at home. Keep it up.

Sycamore Class - Sophia, you have displayed many of our school values since coming back after being poorly. Even though you might have found it tricky you've been resilient and worked hard.

Well done everyone!
