

# The Rednal Rag

REDNAL HILL INFANT SCHOOL  
Number 29 – 3rd May 2024

Next week Lunch Menu  
Week 2

Throughout **Science Week** we have been exploring a range of investigations from including 'erupting volcanoes', 'magic milk' and 'dancing raisins'. The children were really engaged and observed closely, followed instructions and made sensible predictions. We definitely have some budding scientists in our midst! It was also a great opportunity for them to work with different teachers and in different classrooms.

We were really fortunate to have a visit from Colin Avern from the RNLI. He gave a fun, interactive presentation on the role of the RNLI and on water safety. Colin commented how well behaved and engaged our children were and offered to return and work with us again!

Now the weather is improving **PE lessons** may take place outside. Please can all children have outdoor shoes/trainers in school. If your child has shoes in school already can you please check they still fit your child.

## Class Group Photos Tuesday 7th May.

We are hoping for lovely weather on Tuesday for the photos to be taken outside. All children to come to school in uniform. Thank you.

## This week's 'Congratulations' go to...

**Ash Class – Jacob**, we are always impressed with your marvellous playdough creations. You add the most intricate details to your playdough solar systems and even made the whole alphabet in order from memory.

**Elm Class – Harrison**, you have loved science week and have been very passionate about all of our investigations. You have spoken in detail about what you have seen happening and even said you want to be a scientist when you grow up.

**Oak Class – Nevaeh**, for your super reading and writing. You are able to blend with more confidence and try your best every day. Well done.

**Holly Class – Oscar**, you shone in all of the science investigations during our science week. You made predictions before each experiment and followed the instructions for each one carefully. You are a superstar.

**Hazel Class – John**, for amazing maths this week. You were able to spot and explain equal and unequal groups and then used these groups to show repeated addition. Well done.

**Willow Class – Lenny**, for your enthusiasm during science week. You were willing to share your predictions and enjoyed participating in all the experiments. You were a fantastic model for the rest of Willow Class. Well done.

**Chestnut Class – Ida**, for working your socks off with your writing this week. You have been making sure you use finger spaces and that your ideas are coherent. Keep it up.

**Hawthorn Class – Caleb**, you thoroughly enjoyed participating in science week on Tuesday. You were enthusiastic and enjoyed taking part in each scientific investigations. Well done Caleb.

**Sycamore Class – Paris**, you have worked hard on your writing this week. You are also trying hard to be more independent. We are proud of you. **Well done everyone!**
