Year Two End of Key Stage Assessments

Our Year Two children have just started their end of year 'quizzes' (SATS) which will run for the next few weeks. In order to make this a positive and enjoyable experience children are in small groups with familiar adults and given plenty of time. Please support us by ensuring your child is in school, on time, every day.

MENTAL HEALTH AWARENESS WEEK
13-19 MAY 2024

MENTAL HEALTH FOUNDATION

The theme this year is- "Movement: Moving more for our mental health". Movement is important for our mental health. But so many of us struggle to move enough. We know there are many different reasons for this, so this Mental Health Awareness Week we want to help people to find moments for movement in their daily routines. Going for a walk in your neighbourhood, putting on your favourite music and dancing around the living room, chair exercises when you're watching television – it all counts!

Year 1 visited Cofton Park this week as part of their work on plants in Science. They chose a specific space and identified and labelled a range of wildflowers. The sun shone and the children's behaviour was exemplary.

This week's 'Congratulations' go to...

Ash Class – **George**, for your fantastic farm animal drawing. We were so impressed by your determination after being inspired to re-create the photograph. Well done.

Elm Class—**Daniel**, you have been sharing your wants and needs more this week with the teachers, well done.

Oak Class—**Mason S**, you are trying so hard with your phonics and handwriting and for trying hard at home with your numbers.

Holly Class —**Zara S**, you have been working extremely hard in Maths his week. You have been very resilient when doubling numbers using counters and tens frames. You did not give up, even when it was challenging. We are really proud of you Zara.

Hazel Class – **Lubna and Noah N**, for amazing team work during our visit to Cofton Park. You worked together to carry out a science investigation and explained clearly to each other what you found. Well done.

Willow Class — **Jackson**, for working so sensibly during maths this week. You were a great role model for the rest of Willow Class, working co-operatively with your partner and you were a maths whizz doubling numbers beyond 20. Well done.

Chestnut Class — **Ella**, for your enthusiasm and effort in all of your learning this week. You have worked independently and risen to every challenge. We are very proud of you. Keep it up.

Hawthorn Class – **Louis**, you are always enthusiastic and happy to share your knowledge in all our class learning. We are especially proud of you this week—your face 'lit up' in eagerness to write your story.

Sycamore Class - **Imogen**, you wrote a wonderfully creative story this week. Well done for working so hard.

Well done everyone!
