## Year One Finale

Year One children had a fantastic end point for their current learning Enquiry, The Great Fire of London. We re-created The Great Fire in the play-ground, complete with Pudding Lane and they were able to use their knowledge gained from this topic to explain how and why the fire spread.

The children were able to recall lots of information about the event and watched with real anticipation. Ask your child what effect the houses being built so close together had on the fire and why London was rebuilt differently afterwards. Thank you to Jason for his fire safety role and to the children for their super sensible behaviour.

## Supporting Your Child with Worries

Re-scheduled date  
11th June @ 9am

We are pleased to offer an information session delivered by practitioners from the School Mental Health team about how to support your child with worries. This is important as children prepare for the changes ahead.

Today, Reception children visited **St Stephen's Church** as part of their work on the Signs and Symbols of Christianity.

This is a bit of an annual tradition and the children experience exploring the church and the meaning behind each symbol before enjoying a practical session creating their own dove.

Thank you to Helen Whitten and the members St Stephen's for the efforts they go to and the care they take with our children.

You could take a visit to Rubery Library during half term and take a look at their range of books to read.
