## healthy eating

In Assembly we have been learning about different food types and talking about how in order to stay healthy it helps to eat a range of foods. We have discussed how a 'rainbow of colours' on our plate is a good indication that we are eating a range of foods. Lots of children have shared with their teachers that they have tried to 'eat a rainbow' and challenged themselves to try something new, which was great to hear.

Please take your  
litter home

Please respect our school site and local residents by taking your litter home. Please take care not to drop it as you head home. Thank you

## This week's 'Congratulations' go to...

Ash Class – **Betsie**, you did a great job of listening to farmer Nikki during our trip. You remembered lots of new facts and collected the freshly laid eggs very carefully.

Elm Class – **Noah**, you were a fantastic team player in our PE this week. You encourage everyone to do their best and had a great team spirit. Thank you.

Oak Class – **Adeyolola**, for using her long legs in PE to help her win her sprint and sack race. All in good time for sports day.

Holly Class – **Talaya**, you have impressed us with your phonics this week. You have been practising spotting the digraphs in words before sound talking them and have tackled alien words with confidence. Well done.

Hazel Class – **Peter**, you have been learning to reading and writing the letter 'P'. This week you have been using paintbrushes, sand and chalks to write it independently. Well done.

Willow Class – **Harley**, for super science work this week. You were able to sort healthy foods and say where each food came from. Well done.

Chestnut Class – **Ella**, for your amazing confidence this week. You have worked your socks off with so much enthusiasm and a beaming smile. Keep it up.

Hawthorn Class – **Lamiek**, we are really proud of you for being respectful in class, taking turns and socialising positively with your friends. Keep it up.
