Gurdwara Trip Year Two visited the GNG in Smethwick. They were fantastic ambassadors for our school and both teachers and staff at The Gurdwara commented on their excellent manners and listening skills.

Ask your child how the Sikh religion shows respect for others and about the Five K's which are the cornerstones to Sikhism.

Year 2 were lucky enough to be invited a tennis lesson this week at **Kings Norton Tennis Club.** A huge thank you to Matt from the tennis club for sharing his time and expertise. The children will continue to build on their skills in the last weeks of term.

Whooping Cough

We have been asked by our Public Health team to flag up important information in relation to a rise in Whooping Cough infections.

Whooping cough is a bacterial infection of the lungs and breathing tubes. It is very contagious and can be dangerous, especially to young babies.

For more information go to www.nhs.uk/pregnancy/keeping-well/

PUBLIC BINS and DOGWASTE

You may have noticed that the council bins near the school perimeter are being used to dispose of dog waste and this is causing a hygiene issue. We have reported this to the council. Anyone who wishes to add their support to this complaint can do so using the birmingham.gov website.
