## Children's Learning

**Year Two** have made an enthusiastic start to their work on 'Our Blue Planet'. They will be learning about countries, continents and oceans.

**Year One** are continuing the **geographical theme** and are beginning to learn how to **map the school site** and the local area, before moving on to the wider world.

**Reception** have been familiarising themselves with **classroom routines** as well as enjoying the **Colour Monster** story which teaches us about different emotions.

**Nursery** have shared the story **Marvellous Me** and this has prompted great conversations about **families and key people** in our lives.

## Letters and Communications from School

At the beginning of term we send out lots of information ranging from annual reminders about attendance and school routines through to support services available in our community and annual updates from the government.

Over the next week or so please look out for updates posted on Tapestry and paper copies of letters sent home with your child in their book bag.

The following letters have been sent out today-

Y2 letter from West Midlands Police

Reception letter about Baseline Assessments and the upcoming Reading Workshops

Weekly Tapestry challenges for all classes

Look out for information on **attendance** and new updated government guidelines around **fining** parents who take their children out of school during term time.

Thank you
